These “Worker-Walks” will be “rescheduled”, so they do not conflict with any Scheduled Event Walk!!

(See Page # 2)

NOTE# 1 Revised: There has been some additional changes made to the Workers Walk schedule for June 30th, July 7th, July 14th and August 11th.

Dry Creek Falls has been moved to June 30th.

Cascade Locks to Overlook and Town walk has been rescheduled to July 7th, as you see there are 2 walks scheduled this date – we will walk the Cascade Locks to Overlook walk (first), then have lunch in Cascade Locks, after lunch walk the Town Walk. For those preferring to do only the first walk (Cascade Locks to Overlook) and then departing – It will be necessary at the Meet Up Location in Troutdale Wal-Mart for a decision be made, so “Car-Pooling” can be available for everyone!

Indian Point has been moved to August 11th. (See Above Schedule)

NOTE# 2: Eagle Creek has been changed to August 4th. For those planning on doing this Walk, please take a moment and decide which distance you will prefer to be doing. **REASON:** To have specific distance walkers be in the same vehicle for car pooling purposes, so the walkers doing the shorter distance will not have to be waiting for someone out doing the longer distance. Once the shorter distance walkers are finished, they will be able to depart and return to the parking lot in Troutdale.

NOTE# 3: Elowah Falls is currently not available to be walked. Will schedule it once we are given the word it is available.

NOTE# 4: Those who walked Coyote Wall walk on June 16th will be given Distance Credit of 15KM, due to the extended distance walked that day.

AVA Credit for Your Walking Books will be given in 2014 at the Columbia River Gorge Biennial Classic Event (19-22 June 2014 at the Finish Table). Payment for Credit Walkers will be taken at that time.
